

W. L. DOUGLAS
\$3.50 SHOES
"THE LIPTON"
THE WORLD'S
GREATEST SHOE MAKER

W. L. Douglas is a progressive shoe manufacturer. His shoes ought to be better each season, and they are better. While he always makes them as good as he knows how, yet as quickly as he discovers ways of betterment, the betterments are made. He never buys any but the very best selected materials. If the market does not afford what W. L. Douglas believes his shoes demand, he makes it. W. L. Douglas passes the tanner and tans sole leather by his own secret process. That is one reason why W. L. Douglas \$3.50 shoes afford such unusual service. Then, again, the upper leather is as good as the sole leather, and the making is as honest as the leather.

For these reasons and because of his unrivalled facilities as the largest shoemaker in the world, it is only natural that W. L. Douglas \$3.50 shoes should be distinctly superior in style, in service, and in comfort to the ordinary footwear. It is the testimony of millions, backed up by constant purchase, that they have never found the equal of W. L. Douglas \$3.50 shoes.

**HILL--HARRIMAN
DIVIDEND FIGHT****Battle With Billions in New
York Stock Market.**

Hill Distributes \$125,000,000 Among
Great Northern Stockholders
First.

HARRIMAN WILL DOUBLE IT.

New York, Nov. 19.—E. H. Harriman has dropped the gage of battle for a billion-dollar fight to James J. Hill, and the Great Northern railroad president has accepted the challenge.

It is to be a war of dividends. Hill rushed into New York Friday morning and hurried for home last night. Before he left he prepared the announcement of a dividend of \$125,000,000 for the shareholders in the securities of the Great Northern railroad. Harriman has his attorneys at work paying the way for dividend declarations doubling those of Hill.

For every million dollars in bonus that Great Northern stockholders get, it is said that Harriman intends to give Union Pacific stockholders two millions. Hill will draw first blood in the battle. The \$125,000,000 dividend meion will be ready today, Monday, or Wednesday. It will not be prolonged beyond Wednesday. Great Northern stockholders will receive an additional share of stock at par value for each and every share of Great Northern they possess. The old shares are now paying 7 per cent. The new shares will pay at least 6 per cent.

The formal announcement will include other rights possible in the Burlington joint fours, for which the Great Northern pays the Northern Pacific \$50,000,000 in cash. Harriman will counter as fast as his attorneys will permit him. He cannot do so now. The government would grab everything above 10 per cent. in any Union Pacific dividend, as, by an old law, the Union Pacific is forced to pay the government everything above 10 per cent. of its earnings.

Harriman's lawyers are seeking to evade this through his new investment company.

**LOSS OF MILLIONS
IN YAKIMA VALLEY****Flood And Storms in Washing-

Indian Reservation Inundated and
Indians Lose Cattle and All
They Possess.

RAILROAD DAMAGE \$150,000.

Spokane, Wash., Nov. 19.—The Indians on the lowlands of the Yakima reservation have been driven from their wigwams by the floods. Many have reached Tappanish and tell stories of losses of their sheep, cattle and horses. Some of them have lost all they possessed. They are hungry and penniless.

A courier has been sent to Agent Lynch at Fort Simcoe to announce the conditions and ask help in behalf of the Indians. A number of white families of the low lands of Tappanish river are now surrounded by water and as there are no boats in the country they cannot be rescued. The upper part of Kittitas valley north of Ellensburg, is one immense body of water, miles wide. Losses to live stock are great. Reports of drownings of persons have been received all day, but cannot be verified. It is thought that several families of missing Indians are drowned. A mail carrier named Miller is missing at Tappanish. It is said he and a man named Johnson were on the Tappanish bridge across the Yakima when it went down.

The losses in the Yakima valley to date are:

Northern Pacific, \$100,000; North Yakima Valley railway, \$50,000; Northwest Light and Water company, \$50,000; Cascade Lumber company, \$30,000; Yakima county bridge, \$25,000; Kittitas county bridges, \$20,000; Individuals, \$30,000; canal companies, \$10,000.

The loss in King county will be one million dollars.

I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest Cough and Cold cure and Throat and Lung healer. Guaranteed by all druggists. 50c and \$1. Trial bottle free.

Postmaster Robbed.

G. W. Fouts, Postmaster at River-ton, Ia., nearly lost his life and was robbed of all comfort, according to his letter which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters; which cured me and have kept me well for 11 years." Sure cure for Biliousness, Neuralgia, Weakness and all Stomach, Liver, Kidney and Bladder derangements. A wonderful tonic. At all druggists, 50 cents.

If not, a change would be beneficial perhaps. A visit to the Southwest will open your eyes.
